Description

maiwell GERMANY Color Gel 41 Colors Set - The HEMA & TPO-Free Complete Set for Professionals

Upgrade your nail salon with the full color spectrum: The **maiwell Color Gel 41 Colors Set** combines maximum shade variety, brilliant coverage, and ultimate product safety. 100% free of HEMA and TPO – the future-proof choice for health-conscious nail technicians and satisfied clients.

Set Highlights:

-
- **Complete 41 Colors Collection:** All 41 trend shades (#01 to #41) in one value bundle.
 - **100% HEMA & TPO Free:** Hypoallergenic formula designed to prevent skin irritation and contact allergies.
 - **Smooth Self-Leveling:** Self-leveling texture for a smooth, streak-free finish.
 - **Low Odor Formula:** Pleasantly low odor for a fresh atmosphere in your salon.
 - **UV & LED Compatible:** Reliable and fast curing under all standard nail lamps.

Color Spectrum in the Set (41 Shades):

- **#01-#06 (Pink & Neon):** Soft pastel rose, baby pink, bubblegum, and vibrant neon magenta shades.
- **#07-#12 (Violet, Blue & Teal):** Elegant violet, slate blue, turquoise mint, ocean cobalt, and deep teal.
- **#13-#22 (Berry, Nude & Natural):** Chic nudes & peaches, milky white (#15), and subtle taupe tones.
- **#23-#31 (Coral & Classic Red):** Bright orange, fresh coral red, and timeless, bold red shades.
- **#32-#41 (Burgundy, Dark & Black):** Deep wine reds, shimmering sparkling wine, espresso brown, and jet black (#38).

Comprehensive Range for Everyday Salon Work

With the **maiwell Color Gel 41 Colors Set**, you are perfectly equipped for every season, client wish, and nail trend. From subtle office nude looks to delicate babyboomer bases and expressive summer or winter colors, this collection delivers complete versatility for your daily studio application.

Application Guide for Salon Use:

-
1. Prepare the natural nail as usual, buff gently, and degrease using Dehydrator / Primer.
 2. Apply a thin coat of maiwell Base Gel and cure under the lamp.
 3. Apply the desired **maiwell Color Gel (#01 - #41)** in 1-2 thin coats. Thanks to the smooth, self-leveling formula, the surface levels evenly in seconds.
 4. Cure completely under an **LED lamp (30-60 sec.)** or **UV lamp (120 sec.)**.
 5. Seal with maiwell Top Gel (High Gloss or Matte) and cure.

Pro Salon Tip: Showcase the full collection to your clients using the matching maiwell color display chart. The HEMA and TPO-free formula is a compelling sales argument for new clients with sensitive skin or allergy concerns!
