

ibd UV Builder Gel CLEAR 56g

Product Information

Product summary

Perfect set-up with minimal effort!

Description

ibd Builder Gel - Clear (56g)

The **ibd Builder Gel - Clear** is your professional partner for long-lasting and radiant nail modelling with a luminous shine! This high-quality builder gel in the practical 56g tin impresses with its strong and robust structure, which makes both natural and artificial nails more resistant.

The **crystal-clear, self-smoothing formula** makes it easy to apply and work with - ideal for flawless French modelling or as a base for expressive colour gels and nail art. Thanks to the integrated "Cool Cure System", the gel hardens in just 180 seconds **without generating heat**.
