Description

Oumaxi Multi-Surface 3D Colour Starter Kit 35ml - Unleash your creativity!

This Oumaxi 3D colour starter kit is the perfect introduction to the world of three-dimensional design. With 12 vibrant colours in practical 35 ml tubes, you have limitless possibilities to bring

your creative ideas to life on a wide variety of surfaces.

What makes the Oumaxi 3D colours so special

?

- **Unique quality:** The highly pigmented formula ensures intense colour brilliance and long-lasting results.
- **Excellent application properties:** The creamy consistency enables even application and precise work.
- **Extraordinary 3D effects:** The unique gloss and special texture make your artwork appear three-dimensional and create a real eye-catcher.
- **Versatile use:** Whether on paper, canvas, wood, metal, glass, ceramic or plastic - the Oumaxi 3D colours adhere to almost any surface.

The Oumaxi 3D colour starter kit is ideal for:

- **Hobby artists and DIY enthusiasts**
- **Nail studios and beauticians**
- **School projects and creative workshops**

Discover the fascinating world of 3D design with the Oumaxi Multi-Surface 3D Colour Starter Kit!
