Product summary

Provide optimum preparation for your nail modelling!

Description

maiwell FUNCTION Bond Dry - The pH balance agent for perfect modelling

The **maiwell FUNCTION Bond Dry degreaser** is the professional solution for optimum preparation of natural nails before modelling. The 480 ml bottle in high-quality amber glass protects the contents from UV light and guarantees a long shelf life.

Your benefits at a glance:

- **Provides bombproof & durable modelling:** The effective degreasing and pH balancing of the natural nail creates the basis for a perfect bond with artificial nails.
- **Quick & easy to use:** The Bond Dry Degreaser is ready for immediate use and can be applied precisely.
- **Professional formula:** The specially developed formula is gentle on natural nails and is free from harmful ingredients such as methacrylic acid.
- **Economical to use:** The 480 ml bottle allows for a variety of applications and is ideal for professional use in nail salons.

**The maiwell FUNCTION Bond Dry Degreaser - For perfect and long-lasting modelling.
Simply indispensable!**
