Product summary

The anti-ageing product for visibly smooth nails!

Description

Declares war on unsightly grooves - with the CÁCEE Linefree nail care serum!

Do you know this? Do unsightly ridges appear on your nails after a manicure and spoil the overall look? With CÁCEE Linefree, these worries are a thing of the past! This innovative

formula has been specially developed to regenerate and smooth the nail surface.

The rich nutrients even out fine ridges and visibly neutralise them. After just a few applications, your nails will feel noticeably smoother and shine with a new lustre. This lays the perfect foundation for a professional manicure and long-lasting results.
