Description

Harmony Gelish pH Bond Degreaser 15ml

The **Harmony Gelish pH Bond Degreaser** is an essential step for a long-lasting and flawless gelish manicure. This professional dehydrator and degreaser in one gently and effectively removes oil, dust and dirt from the nail surface and optimally prepares it for the adhesion of the Gelish base coat.

Advantages:

- Gently removes oil, dust and dirt from the nails

-
- Dehydrates the natural nail for optimum gel polish adhesion
 - Prevents the gel polish from peeling and chipping.
 - Provides a long-lasting and flawless manicure.
 - Practical 15ml bottle for professional or private use.

Application:

1. After shaping and buffing the nails, apply the pH Bond Degreaser sparingly to the natural nail
2. Leave on briefly and then remove with a cellulose pad.
3. Continue with the rest of the Gelish manicure.

The Harmony Gelish pH Bond Degreaser is the perfect basis for a professional Gelish manicure with long-lasting results.
