Product summary

Provide optimum preparation for your nail modelling!

Description

maiwell [FUNCTION] Bond Dry Degreaser 480ml - The professional preparer for long-lasting nail modelling

The **maiwell [FUNCTION] Bond Dry Degreaser** is the essential basis for professional nail modelling with optimum durability. The special formula thoroughly degreases the natural nail and balances the pH value to ensure a perfect bond between nail and modelling material.

Your benefits at a glance:

- **Ensures optimum adhesion:** The Bond Dry Degreaser reliably removes grease and dirt particles from the natural nail.
- **Equalises the pH value:** For an optimal bond and long-lasting results.
- **Quick-drying:** The formulation is quickly absorbed and enables time-saving application.
- **Professional quality:** Ideal for studio and home use.
- **Rich:** The 480ml bottle is sufficient for numerous applications.

Application: Apply the maiwell [FUNCTION] Bond Dry Degreaser sparingly to the natural nail and allow to dry briefly. You can then start modelling.
