Description

Marathon original parts replacement carbon brushes for router handpieces

Keep your Marathon router handpiece in top shape with this set of original replacement carbon brushes!

Perfect compatibility:

These carbon brushes are designed to fit all Marathon milling cutter handpieces in our range perfectly, ensuring optimum performance and durability.

High-quality materials:

Made from high-quality materials, these carbon brushes guarantee reliable and constant conductivity for the smooth operation of your router handpiece.

Easy installation:

The carbon brushes are easy to install thanks to the spring and screw connection with a length of 0.9 cm and enable quick replacement.

Scope of delivery:

- 2x replacement carbon brushes

Technical data:

- Pin length: 1 cm (flexible due to spring)
- Screw connection: 0.9 cm

Ensure the optimum performance and service life of your Marathon milling cutter handpiece – order your replacement carbon brushes today!
