Simple design for great results!

Description

JK London Quick File - The professional nail file for precise results with artificial nails

The JK London Quick File is your reliable partner for the efficient processing of artificial nails. With its coarse grit (80/80), it is ideal for rough filing work at the start of your nail modelling.

Efficient work & professional results:

The straight shape of the file enables precise shortening and shaping of acrylic and gel nails. Achieve the perfect length and shape for your modelling in no time at all.

Durable & Hygienic:

The JK London Quick File is extra durable and can withstand intensive use. The smooth surface can be easily and hygienically cleaned and disinfected after use - ideally in a sterilisation bath.

Important note:

This file is only suitable for use on artificial nails. Use on natural nails can lead to injuries.
