Product summary

High-quality French gels made in Germany

Description

maiwell anGELic French-Gel Pro White 4D: radiant white nail tips in no time at all

The **maiwell anGELic French Gel Pro White 4D** gives you a flawless, radiant white French finish in just one application. The highly pigmented formula provides excellent coverage and can be applied and modelled effortlessly thanks to the medium-viscosity texture.

Advantages:

-
- **Ultra-white French gel** for a radiant, elegant finish
 - **Excellent coverage** - one application is enough
 - **Medium-viscosity consistency** for easy and precise application
 - **Fast curing time** of 120 seconds under UV light
 - **Semi-opaque** for a natural-looking result

The picture clearly shows the creamy, opaque texture of the gel, which is perfect for a professional French design.

With the maiwell anGELic French Gel Pro White 4D, you can conjure up perfect French nails in no time at all!
