Description

Professional product description:

Manicure file narrow/round white grit 80/80 50pcs

This set of high-quality manicure files is the ideal companion for precise and efficient shaping of natural nails. The narrow, rounded shape enables particularly sensitive work on the nail contour and makes shortening easier, even on narrow nail beds.

Main features:

- **Efficient grit:** The 80/80 grit is ideal for shortening and shaping nails and ensures a clean result.
- **Practical bulk pack:** With 50 files in the set, you are perfectly equipped for professional use in the nail salon or for discerning private users.
- **Hygienic working:** The files are disposable products and therefore guarantee the highest standards of hygiene with every application.

Advantages:

- Faster and more precise shaping of nails
- Enables flawless manicures with a smooth surface.
- Optimal control and smooth work thanks to the narrow, rounded shape.
- Ideal for use in the nail salon or at home.

Order this practical set of high-quality manicure files now and experience professional results with every nail modelling!
