Description

ibd Just Gel Polish - Leading Man 14ml: For a professional statement on the nails

The ibd Just Gel Polish in the shade "Leading Man" gives your nails a timelessly elegant look that will impress both in everyday life and on special occasions. The high-quality gel formula in elegant silver-grey is as easy to apply as nail polish thanks to the practical brush and gives you long-lasting, fantastically shiny manicures in studio quality.

Your benefits at a glance:

- **Easy application:** The texture of the gel polish glides smoothly over the nail and can be applied without streaks - just like nail polish, only more durable!
- **Maximum colour intensity:** Just one coat gives you an opaque result and an intense colour that draws all eyes to your hands.
- **Long-lasting and resistant:** Look forward to perfectly manicured nails for up to 3 weeks without chipping or fading. The formula also strengthens the nail structure.
