Description

Deluxe Nail trainer exercise hand with table holder

Practical, realistic mannequin hand to improve your skills in the nail design.

It is the ideal practice partner for your Nail Art design process. Learn or perfect your skills when using different products such as gels or acrylic powder with different nail art creations.

In addition, you can practice practically dealing with an electric nail file by hand.
The adjustable fingers can be the natural hand posture to be simulated.
From now on, you no longer have to look for test persons. Thanks to this training hand with table holder, you can practice as often and so much as you want.
