Description

ibd Hard Gel Builder Gel - Pink

Give your nails radiant elegance and unrivalled resistance with the ibd Hard Gel Builder Gel in soft pink!

This high-quality builder gel in professional quality, presented in a practical 56g jar, is your perfect partner for long-lasting and flawless nail modelling. The viscous formula is easy to apply and work with and hardens in just 180 seconds under the UV lamp. The integrated "cool cure system" prevents unpleasant heat build-up.
