Product summary

Transform your acrylic modelling into a colourful highlight!

Description

Funky accents for your acrylic modelling: maiwell acrylic paint in copper glitter

Give your nail designs a touch of glamour with the **maiwell acrylic colour in copper glitter**. The warm, shimmering colour sets sparkling accents on natural and artificial nails and can be used in a variety of ways - from elegant tips to elaborate nail art creations.

The special feature:

- **Fine copper glitter:** Gives your nails a sophisticated shimmer and creates a glamorous look, as the product image impressively shows.
- **High pigmentation:** Ensures high colour intensity and a radiant result.
- **Long-lasting formula:** Guarantees flawless acrylic modelling with strong hold and long life.
- **Easy to use:** Easy to work with and apply - ideal for beginners and professionals alike.
- **Versatile use:** Perfect for coloured tips, French nails, ombré designs and creative nail art.
- **Compatible with all modelling liquids:** Enables easy application and optimal results.
- **Studio quality:** High-quality ingredients for professional requirements.

Contents: 14g

Discover the possibilities of maiwell acrylic colour in copper glitter and create unique nail designs that will turn heads!
