Product summary

With minimal effort to create sparkling white French tips!

Description

ibd LED/UV Builder Gel INTENSE WHITE 56g - Professional nail modelling in brilliant white

Give your French nails the ultimate wow effect with the ibd LED/UV Builder Gel INTENSE WHITE!

This highly pigmented, bright white builder gel is your perfect partner for long-lasting French modelling

with a touch of luxury.

The ibd Builder Gel INTENSE WHITE impresses with:

- **Intense white:** Create breathtaking contrasts and emphasise the tips of your nails with a radiant white for French modelling that catches everyone"s eye.
- **Strong & robust structure:** The viscous formula enables easy application and gives both natural and artificial nails stability and resistance.
- **Fast curing:** In just 60 seconds under LED or 240 seconds under UV, the gel is fully cured and ensures efficient work.
- **High wearing comfort:** Thanks to the integrated "Cool Cure System", unpleasant heat development during curing is avoided.
- **Long-lasting high shine:** Look forward to a flawless, glossy finish that still looks like freshly painted days later.

The ibd LED/UV Builder Gel INTENSE WHITE is the ideal choice for anyone who:

- Value professional results and the highest quality
- Want a long-lasting, radiant white for perfect French modelling
- Value easy application and fast curing

Content: 56g
