Description

Oumaxi Multi-Surface 3D Paint - Rose (35ml): Discover the art of three-dimensional design!

Unleash your creativity with the Oumaxi Multi-Surface 3D paint in radiant rose! This high-quality paint has been developed to achieve breathtaking 3D effects on various surfaces. Whether

on canvas, wood, paper, metal or even on your nails - let your imagination run wild and create unique works of art with impressive dimension.

What makes Oumaxi 3D paint so special

?

- **Intense shine and rich colour:** The highly pigmented formula ensures brilliant colour results and an incomparable shine that brings your designs to life.
- **Unique consistency for perfect 3D effects:** The specially developed texture allows you to create precise lines, dots and reliefs and give your works a fascinating depth.
- **Versatile use on different surfaces:** Discover limitless possibilities and decorate not only canvases, but also furniture, greeting cards, jewellery and much more.
- **Practical and transparent tube:** The 35 ml tube fits perfectly in the hand and enables controlled dosing. The transparent material means you can always keep an eye on the amount of colour.
