Product summary

Spectacular 3D effects!

Description

**Oumaxi Multi-Surface 3D Colour Phthalocyanine Green 35ml -
Unleash your creativity in 3D!**

**Give your artwork, decorations and even your nails a new
dimension with the Oumaxi 3D colour in bright phthalocyanine**

green! This highly pigmented, professional-quality colour boasts a brilliant shine and unique consistency that creates stunning 3D effects.

Let your imagination run wild:

- **Versatile use:** Whether on paper, canvas, wood, metal, plastic or nails - Oumaxi 3D paint adheres to almost any surface and opens up limitless design possibilities.
- **Intense colour result:** The high pigmentation ensures bright, rich colours and a long-lasting, radiant shine.
- **Perfect consistency:** The creamy texture can be applied precisely and enables both fine lines and vivid 3D effects.
- **Practical tube:** The transparent 35 ml tube allows for easy dispensing and ensures that you can make the most of the colour.

The Oumaxi 3D colour in phthalocyanine green is the must-have for anyone who wants to add that certain something to their creative projects. Let your imagination run wild and create unique works of art with an impressive depth effect!
