Description

Perfect French nails with the Pink Cutter Angle

The Pink Cutter Angle enables precise and effortless shaping of the smile line for French nails. The patented design with different angle markings offers you the perfect guide for every nail and ensures an even result.

This is how easy it is:

1. Let the pink or white powder dry for approx. 15 seconds before applying it to the nail bed.

-
- 2. Place the cutter in the desired area and cut off the white or pink area in one smooth movement.
 - 3. The angle markings help you to design the smile line identically on each finger.

The Pink Cutter Angle is a professional tool for precise French nails.
