Description

Professional product description: Pump dispenser white 200ml

For hygienic and economical work in the nail salon

This practical pump dispenser made of durable, white plastic is an indispensable tool for every nail salon. Fill it with up to 200 ml of your favourite liquids such as cleaner, nail polish remover, disinfectant or acetone.

The advantages at a glance:

-
- **Precise dispensing:** The smooth-running pump head enables precise dispensing of small quantities directly onto the cell - without dripping.
 - **Cleanliness and hygiene:** The hinged lid protects the contents from contamination and evaporation.
 - **Efficient working:** Thanks to the handy size and one-handed operation, you save time and organise your work processes more efficiently.
 - **Versatile use:** Ideal for use with various liquids in the nail salon or for cosmetic products in the home.
