Product summary

Space for storage!

Description

Professional refill bottle "Ligccid" (250ml) - monomer

This practical refill bottle is ideal for professional use and is perfect for filling "Ligccid" monomer. The bottle is made of acid-resistant plastic and is therefore durable and reusable. With a volume of 250ml, it offers enough space for your liquids and helps you save money and waste at the same time.

Your benefits at a glance:

-
- **Acid-resistant plastic:** Ideal for use with monomer
 - **Reusable:** Saves money and protects the environment
 - **Practical size:** 250ml capacity
 - **Easily legible lettering:** "Ligccid" and "Monomer"
 - **Tip dispensing aid:** For precise and clean work

Important note: The refill bottle is supplied without contents.
