Description

Professional refill bottle "Cuticle Softener" 500ml

This practical refill bottle is the ideal solution for storing and dispensing Cuticle Softener. The bottle is made of acid-resistant plastic and holds a generous 500ml, so you can pamper your customers with perfectly manicured nails for a long time to come.

Your benefits at a glance:

- **Durable & reusable material:** The bottle is made of high-quality, acid-resistant plastic and

is therefore durable and ideal for professional use.

- **Large filling volume:** With a capacity of 500 ml, you save time and money as you need to refill less often.
- **Practical dispensing tip:** The tapered dispensing tip enables precise application of the cuticle softener without spilling.
- **Clear labelling:** The clearly legible "Cuticle Softener" lettering ensures clear labelling of the contents.

Instructions:

- Refill bottle is supplied without contents

Ideal for professional nail studios and mobile nail designers.
