Description

JK London Jumbo Nail File Quick File - 50-pack for professional nail modelling

Time saving and precision for your nail modelling!

The 50-pack of JK London jumbo nail files "Quick File" in zebra/grey (100/100) is the ideal companion for professional nail salons and anyone who values efficient work.

The advantages at a glance:

- **Efficient shaping:** The coarse grit (100/100) enables quick and effective shortening and shaping of artificial nails as well as hardening of acrylic and gel layers.
- **Perfect results:** The wide shape and angular ends of the file ensure extensive work on the nail surface and the nail tip.
- **Excellent durability:** The high-quality finish guarantees durability and enables numerous applications.
