Description

****LeChat Perfect Match Mood 15ml - A Bit Chilly****

Discover the fascinating world of thermochromic nail art with **LeChat Perfect Match Mood Gel Polish in "A Bit Chilly"**! This unique gel polish changes colour depending on the temperature, creating a stunning, dynamic look.

How it works

The polish reacts to the ambient temperature and subtly changes colour as your hands get warmer

or colder. This creates a fascinating colour gradient effect on your nails that attracts everyone's attention.

"A Bit Chilly" features a beautiful colour gradient from deep dark blue to a bright turquoise. The colour is reminiscent of the icy depths of the ocean and adds a touch of magic to your nails.

Advantages:

- **Unique colour-changing effect** for an individual nail design
- **Highly pigmented formula** for intense, opaque colour
- **Long-lasting** for flawless nails for days
- **Easy to apply** like conventional nail polish
- **Content:** 15 ml, sufficient for many applications

Create unique looks!

Whether elegant and understated or extravagant and eye-catching - with "A Bit Chilly" there are no limits to your creativity. Experiment with different base coats and designs to achieve new, fascinating effects time and time again.
