Description

KUPA MANIPro KP-5000 nail miller: precision and performance for professional nail care

The KUPA MANIPro KP-5000 is the first choice for professional nail salons and discerning users looking for a powerful and reliable device for nail modelling. As the successor to the popular KUPA MANIPro Passport model, it impresses with the proven quality of the KP-55 handpiece and a user-friendly control

unit.

Advantages at a glance:

- **Powerful performance:** With up to 30,000 revolutions per minute, the KUPA MANIPro KP-5000 enables fast and efficient work.
- **Precise control:** The infinitely variable speed control and clockwise/anticlockwise rotation allow customisation to different nail types and treatments.
- **Comfortable handling:** The ergonomic handpiece sits comfortably in the hand and enables fatigue-free working. Thanks to the low-vibration operation, the treatment is particularly pleasant for you and your customers.
- **Robust and durable:** The acetone-resistant control unit and high-quality handpiece guarantee a long service life and easy cleaning.
- **Practical details:** The overload indicator light and the integrated handpiece holder provide additional safety and convenience.

- Voltage: 110 / 220V (selectable)
- Dimensions (handpiece)(H x): 13.5cm x 2cm
- Dimensions (housing)(L / W / H): 13cm x 13.2cm x 8.7cm

The KUPA MANIPro KP-5000 offers you everything you need for professional nail modelling – from manicures to elaborate nail designs.
