Product Information

Product summary

Great rainbows on the nails!

Description

LeChat Perfect Match Spectra Hologram 15ml - Neptune (Solar Flare Effect)

Discover the fascinating world of shimmering colour reflections with LeChat Perfect Match Spectra Hologram!

This unique duo, consisting of perfectly colour-coordinated UV gel and classic nail polish in the shade

"Neptune", gives your nails a spectacular shine. The innovative "Solar Flare Effect" formula conjures up a magical play of colours on your nails depending on the light - for a look that is as unique as you are!

The best thing: You can refresh your manicure at any time with the matching nail polish without having to renew the gel nail polish. So you can enjoy long-lasting, radiant nails with a fascinating play of colours!

Your benefits at a glance:

- **Perfect harmony:** UV gel and nail polish in identical colours
- **Unique Solar Flare Effect:** Shimmering colour reflections depending on the incidence of light
- **High coverage & intense colour:** For a radiant result
- **Easy to use:** Suitable for both professionals and at home
- **Long-lasting quality:** For weeks of enjoyment from your manicure
- **Content:** 15ml

Give your nails the wow factor with LeChat Perfect Match Spectra Hologram!
