### Description

## ibd LED/UV Builder Gel CLEAR 56g - For indestructibly beautiful nails

The **ibd LED/UV Builder Gel CLEAR** is your reliable partner for long-lasting and resistant nail modelling. The high-quality, transparent builder gel in the practical 56g tin impresses with its **strong and robust structure**, which perfectly reinforces both natural and artificial nails.

The **thick formula** is easy to apply and work with - for a flawless result that lasts. Thanks to the

---

**transparent consistency**, subsequently applied layers of coloured gel or nail art are particularly expressive and shine with a luminous sheen.
