Product summary

For a high-gloss result of professional quality!

Description

Seche Vive Instant Gel Effect Top Coat - The multi-award-winning top coat for a perfect gel finish

Experience the shine and durability of a professional gel manicure - without a UV or LED lamp

The Seche Vive Instant Gel Effect Top Coat gives your nails an irresistible, high-gloss gel effect that lasts a long time and applies evenly.

Your benefits at a glance:

- **Mirror-smooth gel shine:** Enjoy a flawless finish like fresh from the nail salon.
- **Fast drying time:** No waiting times - the top coat dries in minutes.
- **Long-lasting manicure:** Enjoy perfectly polished nails that stay beautiful for a long time.
- **Easy to apply:** The polish is effortless to apply and does not leave a sticky layer.
- **Multiple awards:** The Seche Vive Instant Gel Effect Top Coat has received multiple awards from the readers of the trade magazine "NAILPRO", including "Readers" Choice" and "Launchpad" winner.

Contents: 14 ml (0.5 fl oz)

Application: Apply the top coat to the dry colour lacquer and allow it to dry completely. For optimal results, we recommend using it in combination with Seche Base Coat and Seche Colour Nail Polish.
