Product Information

Product summary

Cold and warm light can be changed!

Description

Luvotec Switch work lamp LED dimmable Bi-Color with clamp foot

The clip-on table lamp combines elegance and efficiency and thus offers the perfect features for your interior design.

The individual elements of the table lamp are adjustable so that the ideal angle of the table lamp can be adjusted.

The ability to switch from warm to cold light makes it easier to work colourfast. In warm and cold light mode, the dimming of the light is infinitely possible!

- USB port
- total length of the table lamp: 118 cm

- adjustable joints
- dimmable
- eye friendly
