Product Information

Product summary

Give your acrylic modelling a flawless and professional look!

Description

maiwell Function acrylic powder Natural Pink II 660g - For naturally beautiful nails with a soft pink colour

The maiwell Function Acrylic Powder Natural Pink II is your reliable partner for elegant and well-groomed acrylic nails in a subtle pink colour

.

What makes this acrylic powder so special

?

- **Natural pink:** The Natural Pink II shade is a delicate pink that is more subtle than its predecessor and looks particularly natural on the nail. Perfect for anyone who prefers a healthy, well-groomed look.
