Description

Professional product description for ibd Blue Freeform modelling templates (500 pieces)

**Perfect your nail modelling with the self-adhesive ibd Blue Freeform modelling
templates!**

The image shows a roll of high-quality ibd Blue Freeform modelling templates, which provide you

with 500 precisely pre-formed templates for flawless nail extensions and repairs. The eye-catching blue colour and the silver "Freeform" lettering underline the professional quality of the stencils.

Advantages at a glance:

- **Versatile use:** Ideal for gel and acrylic modelling, nail extensions and repairs to cracks, chips or broken corners.
- **Individual customisation:** Thanks to the mouldable paper, the templates adapt perfectly to any finger size and nail shape.
- **Easy to use:** The self-adhesive backing ensures a secure hold and facilitates precise application. The practical roll shape makes it quick and easy to remove the individual templates.
- **Uniform results:** The printed auxiliary scales enable the nail shape and length to be designed uniformly.
- **Highly efficient:** The practical roll contains 500 templates for single use - perfect for professional use in the studio.

With the ibd Blue Freeform modelling stencils, you can achieve professional results in no time at all and impress your customers with perfect nails!
