Product summary

Long-lasting protection for any gel modelling!

Description

CACEE Seal-Top Non-Sticky UV Gel - For an incomparable shine!

Give your gel modelling the perfect finish with CACEE Seal-Top UV Gel!

This high-quality sealing gel in a practical 15 ml bottle with integrated brush provides a professional finish and long-lasting protection for your nail art.

The CACEE Seal-Top UV gel impresses with:

-
- **Extremely glossy finish:** Say goodbye to dull and lacklustre nails!
 - **No stickiness:** The innovative formula hardens completely and leaves no sticky layer. The annoying removal of the so-called "sweat layer" is completely eliminated.
 - **Easy application:** The integrated brush enables precise and even application of the gel.
