

maiwell gel brush Cat I size 4

Product Information

Product summary

First-class brush!

Description

maiwell gel brush Cat I size 6 - your professional tool for precise gel modelling

The maiwell gel brush Cat I size 6 is a high-quality brush that has been specially developed for professional gel modelling applications. It combines German quality workmanship with an attractive price-performance ratio, making it an indispensable companion for precise and flawless results.

Advantages that impress:

- **Stable tip:** The high-quality tip retains its shape even after repeated use, enabling clean and precise work down to the smallest detail.
- **Versatile use:** Ideal for gel applications of all kinds - from modelling to decoration.
- **Practical design:** The bevelled end is perfect for mixing colours and gels and for working on nails.
- **Comfortable grip:** The ergonomic acrylic handle sits comfortably in the hand and ensures fatigue-free work even during longer sessions.
- **Durable quality:** The maiwell gel brush Cat I is robustly made and guarantees a long service life with appropriate care.

Choose the maiwell gel brush Cat I size 6 now and experience professional results like a pro!
