Product summary

Great rainbows on the nails!

Description

LeChat Perfect Match Spectra Hologram 15ml - Cosmic Rays

Transform your nails into a shimmering wonder of colour with the LeChat Perfect Match Spectra Hologram in Cosmic Rays!

This unique holographic polish catches the light and reflects it in countless shimmering facets. The elegant gold tone sparkles in different shades depending on the incidence of light, creating a fascinating interplay of light and colour on your nails.

The special feature: LeChat Perfect Match Spectra Hologram is available both as a gel and as a normal nail polish. This means you can decide for yourself whether you prefer a long-lasting gel manicure or a quick-drying colour polish - the unique holographic effect is retained in both cases!

Advantages:

- **Breathtaking holographic effect for a unique play of colours**
- **High-coverage and colour-intensive formula for a radiant result**
- **Easy application for a professional finish at home**
- **Long-lasting quality for weeks of shine (gel) or quick colour changes (polish)**
- **Content: 15ml - generous amount for numerous applications**

Enchant with the LeChat Perfect Match Spectra Hologram in Cosmic Rays and experience the magic of shimmering, holographic nails!
