Product summary

Great rainbows on the nails!

Description

LeChat Perfect Match Spectra Hologram 15ml - Wavelength: shimmering fireworks for your nails!

Dive your nails into a fascinating play of colours with the LeChat

Perfect Match Spectra Hologram nail polish in "Wavelength"! This unique colour combines warm red and gold tones that shine in countless facets depending on the incidence of light and make your nails an absolute eye-catcher.

The special feature: The "Wavelength" polish is available as both a gel and a classic nail polish. This gives you the freedom to create new looks again and again without having to sacrifice the longevity of a gel manicure.

Your benefits at a glance:

- **Multi-dimensional effect: Shimmering hologram particles create a fascinating play of colours that varies depending on the incidence of light.**
- **High coverage: Just one coat is enough for an intense colour result.**
- **Easy application: Whether as a gel or classic nail polish - "Wavelength" is effortless to apply and ensures a professional finish.**
- **Long-lasting pleasure: The special formula guarantees radiant and flawless nails for days on end.**
- **Multiple uses: Perfect as a solo artist or for exciting nail art designs.**

Discover the magic of "Wavelength" and let your nails shine in a breathtaking light!
