

LeChat Perfect Match Spectra Hologram 15ml - Supernova

Product Information

Product summary

Great rainbows on the nails!

Description

LeChat Perfect Match Spectra Hologram 15ml - Supernova:
Galactically shimmering nails in supernova blue!

Discover the fascination of the cosmos directly on your nails!

The LeChat Perfect Match Spectra Hologram polish in "Supernova" envelops your nails in a fascinating, shimmering blue colour reminiscent of distant galaxies. The innovative formula combines vibrant colour with holographic glitter and creates a spectacular play of colour that changes its shades depending on the light.
