Product summary

Perfect editing of nature and artificial nails

Description

Nail milling bit STRX - 7mm coarse

Our milling bit STRX in a coarse design is perfect for removing and smoothing your modelings. It is ideal for working on artificial nails.

Thanks to the titanium carbide alloy, our bits heat up less quickly and thus give off less heat on the nail.

Suitable for filing tip transitions, removing the gel when filling the modeling and for precise shaping of the gel or acrylic modeling.

- titanium carbit alloy

-
- easy, clean removal
 - low heat development
