Product summary

Luminous colours for beautiful nails!

Description

Glam & Glits Mood Effect - Ladylike

Transform your nails into a fascinating play of colours with the **Glam & Glits Mood acrylic powder - Ladylike!**

This unique acrylic powder reacts to temperature differences and conjures up a breathtaking colour gradient on your nails. The colour "Ladylike" enchants with a soft transition from delicate peach to a warm coral - perfect for an elegant and feminine look that varies depending on your mood and surroundings.
