Luminous colours for beautiful nails!

Description

Transform your nails with the Glam & Glits Mood Effect - Sinfully Good!

Experience the magic of colour change with our Glam & Glits Mood acrylic powder in "Sinfully Good". This unique powder conjures up an irresistible colour gradient on your nails, from

soft peach to intense pink, which changes gently depending on the temperature.

"Sinfully Good" is more than just colour - it's a statement. Sometimes romantic and playful, sometimes sensual and seductive - this colour adapts perfectly to your mood and style.
