

Glam & Glits Mood Effect - Bittersweet

Product Information

Product summary

Luminous colours for beautiful nails!

Description

Be enchanted by Glam & Glits Mood Effect - Bittersweet!

This unique acrylic powder in shimmering rose gold conjures up a fascinating colour gradient on your nails that changes seductively depending on the temperature. Experience the magic of the **Glam & Glits Mood Effect** and impress with a look that is as changeable as you are.

Bittersweet comes in delicate shades of pink or warm coral and catches the light with a hint of sparkling glitter particles. The high-quality formula not only guarantees an exciting colour experience, but also impresses with excellent coverage and long-lasting wear.
