Description

Piercing jewellery Flower #3

Add a touch of playful elegance to your look with this enchanting Flower #3 piercing pendant. The pendant comes in the shape of a delicate flower with five rounded petals in a soft rose colour. The border of the flower and the practical eyelet for threading are in a subtle vintage silver and create a harmonious contrast to the delicate pink colour.

A clear crystal sparkles at the heart of the flower, adding a touch of glamour to the piece of jewellery. Whether as an eye-catcher in the ear, on a necklace or on a charm bracelet - this versatile

pendant is guaranteed to garner compliments.

The Flower #3 piercing jewellery is the perfect choice for anyone who loves delicate designs and romantic accents.
