Product summary

Say goodbye to stubborn calluses!

Description

Say goodbye to calluses with the LaPalm callus remover!

Are you looking for an effective and quick solution for rough, callused feet? The LaPalm callus remover offers professional results right in your own home!

This powerful formula with green mint and eucalyptus softens even stubborn calluses in seconds and reveals velvety, smooth feet. The refreshing fragrance ensures a pleasant care experience.

The benefits at a glance:

- **Removes calluses effectively and quickly**
- **Provides intensive moisturisation**
- **Leaves a refreshing feeling**
- **Suitable for all skin types**
- **Practical 240ml bottle (approx. 8 oz)**

Application:

Apply the LaPalm callus remover generously to the affected areas and leave it on for a short time. You can then simply remove the softened calluses with a pumice stone or foot file.
