Product summary

First-class brush!

Description

An end to burning skin irritation! INM Stop-It - instant help for nail professionals and anyone who wants to become one.

The image shows the practical 36.9 ml bottle of INM Stop-It, a must-have for every nail salon and for use at home.

Farewell to unpleasant skin irritation caused by nail glue and primer!

INM Stop-It stops the burning sensation immediately on contact with the skin and soothes the irritated area thanks to the special formula with aloe vera. The soothing effect supports the healing of the tissue and ensures a pleasant feeling.
